P R O F E S S I O N A L P R O F I L E

I started my journey in the Technology Area 17 years ago, and most of these years were dedicated with great commitment to the areas of Hardware, IT, and Networks. At the beginning of 2021, I decided to further expand my knowledge in the Technology area and entered the Software Development Area. Passionate about challenges, I am in a constant search for knowledge and excellence in software development. I am committed to creating effective and innovative solutions.
